

THE TRADITION CONTINUES

WELCOME TO CAMP BUDOKAN 2009!

Camp Budokan is one action packed week of judo and sports. Both residential and day camp programs are available to meet the needs of all judo players regardless of age or size. We are located in North Oshawa at Camp Samac (National Boy Scouts Camp of Canada).

CAMP BUDOKAN founded in 1965, was the first judo camp of it's kind and still thrives and expands because it delivers an unequalled training opportunity. We are proud of our ability to attract internationally respected coaches. Coaches who unselfishly pass on their extensive knowledge of judo to the athlete. The ever-increasing popularity of CAMP BUDOKAN is a testimony to the quality of instruction given.

Don't deny yourself, your child or student the experience of CAMP BUDOKAN. Register today, by mail, email or fax. Once the office receives the application and payment a letter of acceptance and medical information form will be sent to you to complete and send back.

We look forward to your presence and participation at camp this year.

Karl Doherty,

Camp Director
